WEDDING PRICE LIST

SO YOU'RE GETTING MARRIED. THAT'S BRILLIANT NEWS! – I WOULD LOVE TO BE PART OF YOUR SPECIAL DAY.

So what is my style? I shoot what I see, excitement, tears of joy, romance, the memories that will last a lifetime. All those tiny details that you have spent forever planning... I catch it all! And I won't take over your special day, in fact; you'll hardly notice I'm there, apart from me asking you to kiss... ALOT :)

I don't have set packages for weddings because I believe you should put together the package that's right for you. I have an initial package and you can add the extras that you want. That way you're not paying any extra for things you don't want.

THE INITIAL PACKAGE

The Initial Package is £1200 and covers from the minute the Bride's hair is brushed right through to the first dance. I will be there to record all the nerves, tears, laughter and joy until you start your evening reception.

- Post production editing on all images

- Images presented on USB

If you require Groom preparation please see Add ons for 'Extra Photographer'.

Prices valid within 40 miles of Grimsby. Additional mileage is charged at 40p per mile.

ALBUMS

The bespoke Albums I offer are hand-bound, digitally produced and designed by me, therefore giving you complete control of the design process.

Every Album is created to last for many generations, preserving your memories and retaining its shape and colors. The exclusive binding guarantees a life long durability and allows the pages in the book to lay perfectly flat.

Albums range from **£250-380** dependent on the size and number of pages. You can choose between portrait, landscape or square albums with the choice of a metallic cover printed with an image of your choice or a leather cover embossed with your names.
